Learn how to make the most of them with **Active Parenting: First Five Years**, a program for parents and other caregivers. Millions of parents have achieved success with Active Parenting—and you can, too!

Active Parenting 4th Edition—Millions of parents have achieved success with Active Parenting—and you can, too! Written by parenting expert (and father) Dr. Michael Popkin, this class is designed for parents of children ages 5 to 12. It will help you learn ways to raise responsible children who are able to resist negative peer pressure. Over the course of six sessions, you'll learn non-violent discipline techniques plus effective communication and encouragement skills to build a solid foundation for the upcoming teen years.

Families in Action—Parent Class: Active Parenting of Teens is a comprehensive parenting program for parents of preteens and teens. The skills you learn in this class will give you confidence and courage to meet the challenges—and savor the joys—of your children's teen years. **Teen Class:** Teens in Action is a six-session program that will help you make the most of being a teenager and figure out where to go from here. Each session is packed with not-boring activities, not-lame discussion, and not-stupid videos on topics that actually matter. Even better...you'll learn skills you can start using now to make positive changes in your life. **Parent & Teen Class:** is a lively program that gives families critical tools for the challenging teen years: communication, conflict resolution, encouragement, and more. Plus powerful information about preventing problems with drugs, alcohol, sex, and violence.

Cooperative Parenting and Divorce—Learn to make a peaceful transition from parents to co-parents with this helpful course. *Cooperative Parenting and Divorce* uses helpful video scenes to demonstrate common co-parenting challenges and solutions. Each workshop allows plenty of time for group discussion and activities.
